

2019 Volunteer Clinical Faculty Award

Recognizes community physicians who contribute to the education and training of clinical students.

Recipients receive a framed certificate, an engraved ΑΩΑ key ring, and their name added to a plaque that hangs in the Dean's office in the school where they volunteer.

Recipients of the award are eligible to receive the Volunteer Clinical Faculty Award only once.

Nominees need not be members of ΑΩΑ, however, if they are a member they must have active status.

Nominations for the Volunteer Clinical Faculty Award may be made by all clinical students, with the recipient chosen by student members of the ΑΩΑ Chapter. The ΑΩΑ Councilor at each school is responsible for the nomination process. Each Chapter is allowed to nominate one Clinician per year.

Nominations must be submitted online at alphaomegalpha.org/submit_vcf.php.

Please notify the ΑΩΑ National Office as soon as an election is made, and provide at least four to five weeks lead time for the certificate.

For additional information, please contact Libby Appel at vcfaward@alphaomegalpha.org, or 720-859-4149.
