Alan Blum, MD

From his earliest days as a medical student, Dr. Alan Blum (AQA, Emory University, 1985), Gerald Leon Wallace MD Endowed Chair in Family Medicine at the University of Alabama, has captured thousands of patients' stories in notes and drawings. The sketches and jottings bring back the essence of a conversation, a detail of personality, and the fragmentary clues patients give their doctor about the experience of illness. Dr. Blum's address is: 26 Pinehurst Drive, Tuscaloosa, Alabama 35401-1148. E-mail: ablum@cchs.ua.edu
