O.E.D.

Don’t you just love it when suddenly one of your off-track words occurs by luck in conversation or better, when you can float the word itself into the stream saying why that’s so apotropaic!

Henry N. Claman, MD

Dr. Claman (AΩA, University of Colorado, 1979) is Distinguished Professor of Medicine and Associate Director of the Medical Humanities Program at the University of Colorado, Denver. He is a member of the editorial board of The Pharos. His address: Mail Stop B164, Research 2, 12700 E. 19th Avenue, Room 10100, Aurora, Colorado 80045. E-mail: henry.claman@ucdenver.edu.
